The screenshot shows a Figma design of a mobile messaging application. The main view displays a conversation between 'Hello Friends' and 'Harry'. Harry's message reads: 'Hey buddy , check you my new post on coding community' and 'Do like if you think I did a good job'. Below the messages is a numeric keypad. On the left side of the screen, there is a sidebar with a list of components or screens, many of which are preceded by a '#' symbol, such as '# chai pi lo screen', '# next image', and '# main screen'. The top navigation bar includes tabs for 'Design', 'Prototype', and 'Inspect', along with a 'Share' button and a search icon.
